PROFESSIONAL SUMMARY

Resilient Innovator, Published Author & Tech-Driven Development Strategist with 15+ years of experience bridging international development, digital transformation, and private sector growth. Proven track record of architecting data-driven resilience platforms (DDRiVE-M), designing AI-powered strategic tools, and authoring thought leadership on climate risk and digital branding. Combines deep expertise in political economy, MEL, and MSME ecosystem development with advanced training in Technology Entrepreneurship (Harvard), Systems Innovation (MIT u.lab), and Cloud Data Analytics. Adept at guiding early-stage ventures, automating MSME operations, and leading multi-stakeholder ecosystems to drive measurable, sustainable impact.

CORE COMPETENCIES

- **Private Sector & MSME Development:** Investment Pipeline Design, MSME Capacity Building, Market Systems Analysis, Inclusive Growth Strategies.
 - **Strategic Advisory & Partnerships:** Public-Private Partnerships (PPP), Stakeholder Negotiation, Donor & Private Investor Alignment, B2B/B2G Engagement.
 - **Innovation & Tech Ecosystems:** Startup Incubation/Mentorship, AI-Powered Strategic Planning, Digital Transformation, Product-Market Fit Assessment.
 - **Organizational Performance:** ESG & Risk Governance, Business Continuity Planning, Performance Management Systems (PMS), Data-Driven Decision Making.
-

PROFESSIONAL EXPERIENCE

Lead Consultant – Investment Roadmap & Pipeline Development

Bureau of Investments, Ministry of Trade, Industry and Tourism (BARMM) | 2025 – Present

- Co-architect a decadal strategic investment framework aligning regional economic priorities with national Public-Private Partnership (PPP) guidelines and international financing mechanisms.
- Lead multi-stakeholder consultations with LGUs, private sector investors, and development partners to identify, validate, and prioritize bankable investment projects.
- Design investment promotion strategies, risk allocation frameworks, and institutional capacity-building modules to de-risk private sector participation in regional development.
- Integrate Gender, Equality, Disability, and Social Inclusion (GEDSI) and informal-sector (MSME) inclusion into the regional investment pipeline design.

Lead Systems Design & Innovation Consultant

Cognitio+ | Jul 2020 – Present

- Designed and deployed *Strat Planner Pro*, an AI-powered strategic planning and performance monitoring tool adopted by private and academic institutions for disciplined execution and KPI tracking.
- Built digital ecosystems leveraging AI/ML and advanced data analytics to monitor, evaluate, and mitigate organizational vulnerabilities for enterprise clients.
- Advise private sector and institutional clients on Enterprise Risk Management (ERM) and Business Continuity Management (BCM) architecture.

Lead Consultant – Organizational Performance Systems

De La Salle University Manila (via Cognitio+) | Jul 2024 – Aug 2024

- Led the design and deployment of the Organizational Unit Performance Management System (OU-PMS) for the Finance and Administration Group.
- Developed and published a Baseline and Needs Assessment Survey Report, establishing the evidence base and performance indicators for institutional operational efficiency.

Innovation Mentor & Advisor

PhilDev Labs, Financial Inclusion Lab & Inclusive Growth School | 2020

- Mentored early-stage startups and MSME-focused innovators in the "Financing the Future Challenge," providing strategic guidance on business modeling, market validation, and investment readiness.

Development Management Consultant

Metro Manila Development Authority (MMDA) | Aug 2017 – Dec 2020

- Provided strategic advisory to the Office of the Chairman on corporate governance, policy integration, and regional urban resilience planning impacting private sector operations and logistics.
